Spelling only

The sound stays the same; only the letters change, so the spelling keeps matching the sound. Lector colours these changes blue.

verbs in	change	example
-car	c → qu before e	buscar → busqué
-gar	g → gu before e	llegar → llegué
-zar	z → c before e	realizar → realicé
-ger, -gir	g → j before o, a	escoger → escojo
-cer after a consonant	c → z before o, a	vencer → venzo
-guir	gu → g before o, a	distinguir → distingo
-guar	gu → gü before e	averiguar → averigüé
-eer	unstressed i between vowels → y	leer → leyó

Some verbs only move the stress, and a written accent shows it: enviar → envío, continuar → continúo.
